LP Cutting Master - Track Listing

Track #	Track Title	Length	Start Time	End Time
---------	-------------	--------	------------	----------

SIDE A

SIDE B

Start IDs for each song, not just each side, since sometimes it's hard to tell where one song ends and another starts. Also, they're handy for checking each song. Write down accurate timings for each song AND total side time including pauses. So much time is wasted by the cutting engineer having to figure out times, and it's imperative to know before cutting
